GOVERNMENT OF GOA, DAMAN AND DIU

EXTRAORDINARY

GOVERNMENT OF GOA, DAMAN AND DIU

Industries and Power Department

Notification

2-56-70-71-IPD (VOL-B)

Electricity Supply Tariffs

In exercise of the powers conferred by Section 23 read with Section 51A of the Indian Electricity Act, 1910 (9 of 1910) and in supersession of all the existing orders, the Lieutenant Governor of Goa, Daman and Diu is pleased to frame the following revised Electricity Supply Tariffs for the entire Union Territory of Goa, Daman and Diu. These revised Tariffs will come into force with effect from 1st January, 1975 i. e. for the entry consumed during the month of January 1975 will be charged at the revised Tariffs.

The revised Tariffs are, however, provisional and are subject to the approval of the Government of India.

I. General Conditions

1. These Tariffs are subject to revision by the Government from time to time.
2. These Tariffs are subject to the terms and conditions for power supply approved from time to time by the Government.
3. Supply of power in all cases is subject to execution of agreements by consumers.
4. As a general rule, no Low Voltage service will be given where the connected load per service is over 100 KVA nor High Voltage service will be given where connected load is less than 100 KVA. Exceptions may be made in special cases at the discretion of the Chief Electrical Engineer.
5. Supply to consumers having a connected load between 100 KVA to 1000 KVA will be generally at 11 KV, and more than 1000 KVA at 33 KV. Excep-

tions may be made in special cases at the discretion of the Chief Electrical Engineer. A rebate of 5% on the monthly bill excluding meter rent and delayed payment charges etc., shall be given to H. T. consumers availing power supply at a voltage of 110 KV and above. However, the voltage of supply will be at the discretion of the Chief Electrical Engineer.

6. If energy supplied for a specific purpose under a particular tariff is used for a different purpose not contemplated in the contract for supply and/or for which higher tariff is applicable, it will be deemed as misuse and stealing of energy within the meaning of the Indian Electricity Act, 1910. In such a case, the energy consumption bills already rendered for the service shall be revised by applying the appropriate higher tariff from the date of connection unless convincing reasons are adduced thereof for adopting a different period. The imposition of this higher tariff will not relieve the consumer from any penalties imposed by the law.

7. Surcharge of one percent compound per month or part thereof will be levied on all delayed payment of bills. Such surcharges will be rounded off to the nearest multiple of 5 paise. Amount less than 3 paise will be neglected and amount of 3 paise or more will be rounded off to next multiple of 5 paise.

8. If the consumers fail to pay the energy bill presented to them within the stipulated period, the Electricity Department shall have the right to disconnect the supply after serving a seven day's clear notice on such consumers.

9. Consumers requiring supply for loads not covered by these tariffs and also electro-chemical and electro-metallurgical industries which are power intensive industries, may negotiate for special tariff with the Electricity Department.

10. In cases of doubts or anomalies in respect of categorisation of any consumer or in any other respect, the decision of the Chief Electrical Engineer shall be final.

II. Definitions

1. Connected load means the sum of the rated capacities of all the energy consuming devices which can be operated simultaneously. This will be ex-

pressed in KW/KVA. One H.P. will be considered equivalent to one KVA for equipment rated in H. P.

2. Seasonal consumers mean all consumers who work only during a part of the year upto maximum of nine months, such as cotton, corning and pressing factories. It shall also include ice factories, oil mills, which may work throughout the year but intermittently, and any other consumers which may be approved by the Electricity Department from time to time as seasonal consumers.

3. Maximum Demand means the average KVA supplied during the 30 minutes period (or any such other shorter period as may be prescribed by the Electricity Department) of maximum use in a month.

4. Contract Demand means the maximum KVA for which the Electricity Department has undertaken to provide facilities from time to time.

5. Billing Demand means either (i) the actual maximum demand during the month or (ii) 75% of the contract demand or (iii) actual maximum demand during the previous 11 (Eleven) months whichever is higher.

6. Billing Demand for Agricultural consumers, Lift Irrigation schemes, agricultural farms and seasonal consumers etc., availing H. T. supply shall be the actual Maximum demand during the month.

III. Tariffs

A. Low Tension Supply:

1. Tariff-LTD/Domestic and Non-Commercial.

	Tariff	
	KWH/Month	Ps/Unit (KWH)
Applicable to private houses, bungalows, clubs, hostels and hospitals run on non-commercial lines, charitable educational and religious institutions, etc., for lights, fans, radios, domestic heating and other house-hold appliances.	First 40	30
	Next 60	25
	Next 200	15
	All in excess	20

Minimum charges: Rs. 2/- (Rupees two) per month for the first 500 watts plus Re. 1/- (Rupee one) for every additional 500 watts or part thereof of the connected load.

Note:

Combined load for domestic and commercial consumers shall be charged at commercial tariff unless separate meters are provided.

2. Tariff-LTC/Commercial.

	KWH/Month	Ps/Unit (KWH)
Applicable to shops, offices, railway stations, hotels, restaurants, photographic studios, X-Ray installations, laundries, dry cleaners, cinemas, theatres, All India Ra-	First 200	40
	All in excess	30

dio Stations and other Commercial installations for lights, fans, radios, heating and other appliances

Minimum charges: Rs. 7.50 (Rupees seven and paise fifty) per month for single phase commercial consumers and Rs. 15/- (Rupees fifteen) per month for three phase commercial consumers.

3. Tariff-LTP/Motive Power.

	Tariff	
	KWH/Month	Ps/Unit (KWH)
Applicable to consumers for general motive power service where connected load is not more than 100 KVA	All consumption during the month	18

Minimum charges: Rs. 5/- (Rupees five) per month/KVA of connected load or part thereof. For seasonal consumers Rs. 5/- (Rupees five) per month per KVA of connected load or part thereof or Rs. 60/- (Rupees sixty) per year per KVA of connected load or part thereof.

Note:

i) Supply under this Tariff will be given for a minimum of 3 BHP. If any load less than 3 BHP is required by consumer, minimum bill shall be charged on the basis of a load of 3 BHP.

ii) The Power factor should not in any case fall below 0.85 lagging. If the power factor is lower then the consumer shall install capacitors to bring the power factor to at least 0.85 lagging. In case the power factor is found to be lower than 0.85 lagging, a surcharge at the rate of 2.5% on the monthly bill excluding meter rent and delayed payment charges etc., shall be levied. In case the power factor is less than 0.7 lagging, the installation is liable to be disconnected. Further, the Department reserves the right to install a suitable capacitor at its own cost and recover the cost thereof as arrears of energy charges.

4. Tariff-LTAG/Agricultural

	Tariff	
	KWH/Month	Ps/Unit (KWH)
Applicable to irrigation pumping and agricultural purposes	All consumption during the month	14

Minimum charges: Rs. 36/- (Rupees thirty six) per year per H. P. of connected load or part thereof subject to a minimum of 2 H.P.

Note:

i) Bonafide lighting of the pump house upto 5% of the motive power consumption is permitted under this category and excess consumption chargeable at 20 paise per KWH.

ii) The power factor should not in any case fall below 0.85 lagging. If the power factor is lower, then the consumer shall install capacitors to bring the power factor to at least 0.85. In case the power factor is found to be lower than 0.85 lagging, a surcharge at the rate of 2.5% on the monthly bill

excluding meter rent and delayed payment charges etc. shall be levied. In case the power factor is less than 0.7 lagging, the installation is liable to be disconnected. Further, the Department reserves the right to install a suitable capacitor at its own cost and recover the cost thereof as arrears of energy charges.

5. Tariff-LTPL/Public Lighting.

Tariff		Ps/Unit (KWH)
Applicable to public lighting system including signal system, road and park lighting belonging to local authorities such as Municipalities / Panchayats etc. This is also applicable to Public lighting of Private residential colonies.	All consumption during the month	25

Minimum charges: The minimum charges per month shall be Rs. 45/- (Rupees forty five) per KW of connected load. The connected load for the purpose of billing shall be the average of the connected load on the first day and last day of the month in question.

Note:

Standard public lighting fixtures without lamps will be provided and maintained by the Electricity Department. Special lighting fixtures, filament lamps, fluorescent tubes and other fittings shall be supplied by the concerned Municipality/Panchayat which shall also bear the cost of maintenance, handling of filament, mercury vapour, fluorescent or any other lamps of different wattages at the rate of Re. 1/- per month per fixture/lamp. In the case of private colonies, the street lighting fixtures etc., will have to be provided as well as maintained by them.

B. High Tension Supply:

6. Tariff-HTM/Mixed.

Applicable to bulk supply of power at 11 KV and above for a connected load of more than 100 KVA for consumers such as railways, M.E.S., educational institutions, non-industrial establishments etc. having a mixed load with predominantly lighting or non-industrial load of more than 50% of the connected load.

Demand charges	plus	Energy
Rs. 12/- per KVA of billing demand per month		15 Paise per KWH

Minimum charges: Monthly demand charges on billing demand plus energy charges for energy consumed during the month.

Note:

i) Billing Demand means either (i) the actual maximum demand during the month or (ii) 75% of the contract demand or (iii) actual maximum demand during the previous 11 (Eleven) months whichever is higher.

ii) The Power factor shall not in any case fall below 0.85 lagging. In case the power factor is found

to be lower than 0.85 lagging, a surcharge at the rate of 0.5% on the total monthly bill excluding meter rent and delayed payment charges shall be levied for every 0.01 by which the power factor falls below 0.85 lagging. In case the power factor is less than 0.7 lagging, the installation is liable to be disconnected. Further, the Department reserves the right to install capacitors to improve the power factor and recover the cost incurred thereon as arrears of energy charges.

7. Tariff-HTI/Industrial.

Applicable to supply of power at 11 KV and above for contract demand above 100 KVA for industries, factories, water and sewage pumping and other purposes as may be decided by the Chief Electrical Engineer.

Demand charges	plus	Energy charges
Rs. 12/- per KVA of billing demand per month		10 Ps. per KWH for the first 200 KWHs per month per KVA of billing demand 9 Ps. per KWH for the next 200 KWHs per month per KVA of billing demand 8 Ps. per KWH for all additional KWHs consumed in the month

Minimum charges: (i) Monthly demand charges on billing demand plus energy charges for energy consumed during the month.

(ii) For Agricultural consumers, Lift Irrigation schemes, agricultural farms and seasonal consumers etc., availing H.T. supply, the minimum charges shall be based on Annual Minimum charges. For this category of consumers, the Annual Minimum charges payable in any calendar year shall be 12 month's demand charges based on 75% of the Contract Demand.

Note:

a) Billing Demand means either (i) the actual maximum demand during the month or (ii) 75% of the contract demand or (iii) actual maximum demand during the previous 11 (eleven) months whichever is higher.

b) Billing Demand for Agricultural consumers, Lift Irrigation schemes, Agricultural farms and seasonal consumers etc., availing H.T. supply shall be the actual Maximum Demand during the month.

c) Lighting upto 10% of the monthly energy consumption is allowed under HTI Tariff, for bonafide factory lighting purposes. Excess is chargeable at 30 paise per KWH.

d) For staff quarters, guest houses, street lighting in the colony situated separately from the main factory and when distribution lines, service lines, meters etc. are permitted to be owned and maintained by H.T. consumers all energy consumed will be charged at 20 paise per KWH.

e) The Power factor shall not in any case fall below 0.85 lagging. In case the power factor is found to be lower than 0.85 lagging, a surcharge at the rate of 0.5% on the total monthly bill excluding meter rent and delayed payment charges shall be

levied for every 0.01 by which the power factor falls below 0.85 lagging. In case the power factor is less than 0.7 lagging, the installation is liable to be disconnected. Further, the Department reserves the right to install capacitors to improve the power factor and recover the cost incurred thereon as arrears of energy charges.

f) The maximum demand recorded in a month is defined as the average KVA during 30 minutes period of maximum use in a month. The Electricity Department, however, reserves the right to shorten this period in case where there are considerable load fluctuations in operation.

g) Supply to consumers having a connected load between 100 to 1000 KVA will generally be at 11 KV and more than 1000 KVA at 33 KV. Exceptions may be made in special cases at the discretion of the Chief Electrical Engineer. A rebate of 5% on the monthly bill excluding meter rent and delayed payment charges etc., shall be given to H. T. consumers availing power supply at a voltage of 110 KV and above. However, the voltage of supply will be at the discretion of the Chief Electrical Engineer.

h) In the case of Agricultural consumers, Lift Irrigation Schemes, agricultural farms and seasonal consumers etc., availing H. T. supply, if the power charges paid during any calendar year fall short of the Annual Line Minimum or 12 month's Demand charges based on 75% of Contract Demand, whichever is higher, the difference should be paid by the consumer during the month of January of the succeeding calendar year.

8. Tariff S. S. I/Motive Power:

Tariff		Ps/Unit (KWH)
Applicable to small scale industrial consumers for general motive power service where connected load is not more than 150 KVA either at L. T. or at H. T.	All consumption during the month.	14

Minimum charges: Rs. 3/- (Rupees three) per month per KVA of connected load or part thereof or Rs. 36/- per year per KVA of connected load or part thereof for seasonal load.

Note:

a) Supply under this tariff will be given for a minimum of 3 BHP. If any load less than 3 BHP is required by the consumer, minimum bill shall be charged on the basis of 3 BHP.

b) The Power factor should not in any case fall below 0.85 lagging. If the power factor is lower, then the consumer shall install capacitors to bring the power factor to at least 0.85. In case the power factor is found to be lower than 0.85 lagging, a surcharge at the rate of 2.5% on the monthly bill excluding meter rent and delayed payment charges etc. shall be levied. In case the power factor is less than 0.7 lagging, the installation is liable to be disconnected. Further, the Department reserves the right to install a suitable capacitor at its own cost and recover the cost thereof as arrears of energy charges.

c) This Tariff is an optional tariff to Tariff-LTP/Motive Power and Tariff HTI/Industrial and is

available to all the small scale industries registered with the Directorate of Industries, Panaji. This option will be available to the small scale industries till such time as the Director of Industries, Government of Goa, Daman and Diu certifies them to be small scale industries.

C. Temporary Supply:

9. Tariff LT/Temporary:

Available for supply at low voltage for a period not exceeding one month, which may be extended with prior permission of the Electricity Department.

1. Lights, fans and small appliances.	First 20 KWHs per day.	50 Paise per KWH.
	All in excess.	Rs. 2/- per KWH.
2. Motive power (for all units).		25 Paise per KWH.
3. Touring talkies and cinemas (for all units).		25 Paise per KWH.

Minimum charges: Minimum bill, exclusive of meter rent, service connection charges etc.

1. Lights, fans and small appliances.	Rs. 10/- per day for supply upto 3 days and Rs. 5/- per day thereafter, but not exceeding one month.
2. Motive Power.	Rs. 15/- per BHP of connected load or part thereof for a period of supply not exceeding one month.
3. Touring talkies and cinemas.	Rs. 45/- for a period of supply not exceeding 15 days or part thereof.

"Month" means the calendar month when the period commences from the beginning of a calendar month, otherwise a period of 30 days.

10. Tariff-HT/Temporary:

Available for a period not exceeding six months which may be extended with prior permission of the Electricity Department.

Demand charges	plus	Energy charges
Rs. 15/- per KVA per month or part thereof of the billing demand.		10 Paise per KWH.

Minimum charges: Monthly demand charges on billing demand plus energy charges for energy consumed during the month.

"Month" means the calendar month when the period commences from the beginning of a calendar month, otherwise a period of 30 days.

Note: Service Connection charges for H. T. temporary supply. The actual cost of the service (labour and materials plus 15 per cent for supervision) shall be recovered from the consumer. When the service is removed, the labour cost of dismantling shall be charged to the consumer who will be allowed a credit

for all materials returned in serviceable condition at the actual cost less 25 percent depreciation for the first month or part thereof and 6¼ per cent for each subsequent month or part thereof. In addition if any other equipments are given to the consumer on hire, rental charges will be collected as per rules in force from time to time.

IV. Meter Rental

A. Permanent supply:

1. Hire of 220/230 volts 50 Paise per meter. energy meter per month.
2. Hire of 400/440 volts Re. 1/- per meter. energy meter per month.
3. Hire of H. T. metering Rs. 5/- per month. equipment.

B. Temporary supply:

1. Hire of 220/230 volts Re. 1/- per meter for a energy meter. period of service not exceeding one month or part thereof.
2. Hire of 400/440 volts Rs. 2/- per meter for a energy meter. period of service not exceeding 1 month or part thereof.
3. Hire of H. T. meter- Rs. 10/- per month or ing equipment. part thereof.

By order and in the name of the Lieutenant Governor of Goa, Daman and Diu.

S. C. Pandey, Secretary, Industries and Labour.

Panaji, 31st December, 1974.

Law and Judiciary Department

Notification

LD/5436/74

The following notifications received from the Government of India, Ministry of Labour New Delhi, are hereby published for general information of the public.

M. S. Borkar, Under Secretary (Law).

Panaji, 4th December, 1974.

GOVERNMENT OF INDIA

(BHARAT SARKAR)

MINISTRY OF LABOUR

(SHRAM MANTRALAYA)

Dated, New Delhi, the 11th October, 1974

Notification

G.S.R. — Whereas certain draft rules further to amend the Industrial Disputes (Central) Rules, 1957,

were published as required by sub-section (1) of section 38 of the Industrial Disputes Act, 1947 (14 of 1947), at pages 446 to 447 of the Gazette of India Part II, Section 3 Sub-section (i), dated the 23rd February, 1974 under the notification of the Government of India in the Ministry of Labour No. G.S.R. 221, dated the 14th February, 1974, inviting objections and suggestions from all persons likely to be affected thereby for a period of forty-five days from the date of publication of the said notification in the Gazette;

And whereas the said Gazette was made available to the public on the 19th March, 1974;

And whereas no objections and suggestions have been received from the public on the said draft;

Now, therefore, in exercise of the powers conferred by section 38 of the said Act, the Central Government hereby makes the following rules further to amend the Industrial Disputes (Central) Rules, 1957, namely:—

1. These rules may be called the Industrial Disputes (Central) Amendment Rules, 1974.

2. In the Industrial Disputes (Central) Rules, 1957,—

(i) in rule 10B,—

(a) in the proviso to sub-rule (1), after clause (d), the following clause shall be inserted, namely:—

“(e) allow at any stage of the proceedings amendments to such statement to the extent as may be necessary for the purpose of determining the real issues included in the order of reference.”;

(b) in the second proviso to sub-rule (2), after clause (d), the following clause shall be inserted, namely:—

“(e) allow at any stage of the proceedings amendment to such rejoinder to the extent as may be necessary for the purpose of determining the real issues included in the order of reference.”;

(ii) for rule 18, the following rule shall be substituted, namely:—

“18 — Service of Summons for Notice — Subject to the provisions contained in rule 20, any notice, summons, process or order issued by a Board, Court, Labour Court, Tribunal, National Tribunal or an arbitrator empowered to issue such notice, summons, process or order, may be served either personally or by registered post and in the event of refusal by the party concerned to accept the said notice, summons, process or order, the same shall be sent again under certificate of posting.”;

(iii) for rule 28, the following rule shall be substituted, namely:—

“28. Correction of errors. — A Board, Court, Labour Court, Tribunal, National Tribunal or arbitrator may at any time correct any clerical mistake or error arising from an accidental slip or omission in any proceedings, report, award or decision either of its or his own motion or on the application of any of the parties.”;

(iv) for rule 53, the following rule shall be substituted, namely: —

“53. Vacancies. — In the event of workmen’s representative ceasing to be a member under sub-rule (3) of rule 52 or ceasing to be employed in the establishment or in the event of his ceasing to represent the trade or vocation he was representing, or resignation or death his successor shall be elected in accordance with the provisions of this Part from the same category, group, class, section, shop or department to which the member vacating the seat belonged.”;

(v) in Form ‘C’ for the brackets and words “(here specify the period agreed upon by the parties)”, the following shall be substituted, namely: —

“(here specify the period agreed upon by the parties) from the date of publication of this agreement in the Official Gazette by the appropriate Government”.
